

2023 Fundraising Ball

Raising money for the Oatlands Infant School playground project.

Enchantica's Annual Fundraising Ball was set up to help local fundraising initiatives which enhance well-being or provide enchantment within the local community. This year we are pleased to be supporting the fund for a new playground at Oatlands Infant School.

All proceeds will be donated to the playground fund.

Zoe Anderson, Headteacher at the school said:

*"At Oatlands Infants, we know that having an **inspirational and safe learning environment** is key to helping children to thrive. The resurfacing of our main playground will not only **encourage imaginative play** but the softer material will make it **safer for our pupils**. Constructing a brighter playground will also improve the appearance of our school within **the local community**, welcoming future students to our school. Obviously work on this scale comes at a price but we are confident that with the support of our PTA and local businesses we can **produce the learning area our children deserve.**"*

Images of proposed playground for illustration purposes only. Final design to be agreed.

Sponsorship Opportunities

Put your business in the **spotlight** and help your local school fund a new playground!

Annual Fundraising Ball 2023

Contact
